

Realizamos inspeção de peças e componentes para determinar a possibilidade de uso conforme orientação do cliente.

INSPEÇÃO, SELEÇÃO E RETRABALHO

A photograph showing three workers in a factory. They are wearing white long-sleeved shirts, dark trousers, white hard hats, and blue face masks. One worker in the foreground is also wearing blue gloves and is working on a large, dark, cylindrical industrial component. Another worker is visible in the background, also working on a similar component. The factory floor is cluttered with various parts and equipment.
